ADA Rubin-

I am curious if there have been any changes in the [REDACTED] case scheduled for trial on August 19, 2010 that affect me (plea, stipulation, continuance, etc.)? If not, what time do you need me there (the summons does not indicate a time, just the date)? I'm not sure if you normally keep chemists from the lab on call, but I thought that I would let you know that I would be coming from the Amherst Drug Lab, and not the one in J.P., so it would probably take me approximately 2 1/2 hours to get there from Amherst (as per MapQuest). Thanks.
